

JASON KING, AICP, CNU-A | PRINCIPAL & SENIOR DIRECTOR

Jason King serves as Principal and Senior Project Director at Dover, Kohl & Partners. He has directed multidisciplinary teams around the country and has served as the project director and prime author on over 200 plans for cities, towns, neighborhoods, and corridors. He has led several virtual charrettes across the U.S. since the appearance of COVID and the first virtual charrette in Missoula, Montana in March of 2020 according to the National Charrette Institute.

From the first plan he worked on for the Tarautao Islands of Thailand, to the multiple plans he authored in Coastal Louisiana, Southeast Florida, and the American Southwest, Jason's work has focused on social, economic, and climate change resilience. Jason authored the book: *The Climate Planner: Overcoming Pushback Against Local Mitigation and Adaptation Plans* (Routledge 2021). Jason's work is featured in numerous planning texts such as *Sustainable Urbanism* (2007), *Form-Based Codes* (2008), and *Street Design* (2014) and he has been interviewed by the New York Times, Planning Magazine, and National Public Radio.

SELECTED PROJECTS

Missoula Downtown Master Plan, Missoula, Montana

The Master Plan Update serves as a guide for decisions over the next 10 years impacting Missoula's historic downtown and adjoining neighborhoods, including modifications to land use and planning regulations, public and private investment decisions, and prioritization for allocation of municipal and community resources. Jason served as project manager for the project.

Plan NoBe & CRA Plan, Miami Beach, Florida

Jason King led a multi-disciplinary team to create a Master Plan for the North Beach District of Miami Beach and recommend an economic and revitalization strategy. The Plan establishes priorities for public sector action while simultaneously providing direction for complementary private-sector decisions. This plan led to the creation and implementation of a CRA for the North Beach area to assist in implementation.

SEVEN50, The Prosperity Plan for Southeast Florida

Seven50 is the plan for the seven counties of Southeast Florida for the next fifty years. The region includes 121 municipalities and over six million people. Plan creation involved over 5,000 people participating in a series of regional summits and local workshops and over one million people via an interactive website with online weekly polls, a scenario modeler, social media, discussion forums, and a regional data warehouse. Jason led a fifteen-firm, multidisciplinary consultant team as it worked closely with local universities and regional planning councils, the Florida Department of Transportation, and a 200-member public and private partnership. Jason was principal author of the Seven50 Prosperity Report. Seven50 was funded by the US Office of Sustainable Housing and Communities and was featured on National Public Radio and in The New York Times.

El Paso Comprehensive Plan, El Paso, Texas

Jason headed the Plan El Paso planning initiative which involved multiple charrettes and a multi-disciplinary team which worked with residents, stakeholders, and officials from the City, state and Fort Bliss Army Base, to create the El Paso's overarching policy document.
